

## Instructions for the Science Fair Participants:

1. You will be assigned project space of about 3ft x 15 inches. Plan to start your project setup at 5:30pm at your assigned space. Families will start visiting the projects at 6pm, so plan to complete the setup by 6pm.
2. You are encouraged to read/watch/discuss your project with your teammates and/or families. If visiting families are interested, you may want to explain about your project.
3. By now you should have communicated with PTSA about any particular needs of your project, whether it's electricity, live animals or any other custom needs and so you will be assigned a project space accordingly. If not it's still not too late, you can contact [CommunityEvents@EllaBakerPTSA.org](mailto:CommunityEvents@EllaBakerPTSA.org)
4. We recommend an accompanying adult to setup, especially for setup with electrical outlets, and any other devices that need extra precaution.
5. We are expecting pack up to be at 7:30pm.
